

INTELLECTUAL PROPERTY AS A MULTI-TOOL

28 Nov 2017

In this first Joint-U law seminar, we invite you to join us as Isaac explores how intellectual property can be likened to a multi-tool. He will explain some of the components of this multi-tool, why you need it and how you can get it.

The event is also an opportunity for you to network while enjoying the light refreshments with other alumnus.

Mr Isaac Tung
Practice: Intellectual
Property

Isaac Tung is a Partner in Allen & Gledhill LLP with more than 16 years of practice experience. He has deep expertise in IP protection, portfolio and rights management. He is well versed in the filing and prosecution of patents, trade marks and designs applications, and shares his expertise with his clients in their overall management of their intellectual property portfolios in Singapore and worldwide.

In the area of branding, Isaac works with many leading household names, including telecoms companies and financial institutions to help them develop, promote and protect their brands. In the area of patents, Isaac advises on patent strategy and counselling, including rendering freedom to operate and patent infringement opinions, conducting due diligence, technology transfer, licensing and negotiations, joint research and development. He prepares and reviews IP documentation, such as licensing agreements, technology transfer agreements, collaboration agreements as well as the transfer of IP assets.

Isaac also teaches Business Law as an Adjunct Faculty at the Singapore Institute of Technology and shares his experience in the business world with young aspiring minds.
