

Steps to Get Your Alum eCard and Apply for Services

[Click here if you forgot your HKUST Alumni login](#)

Step 1: Download the HKUST Alumni App

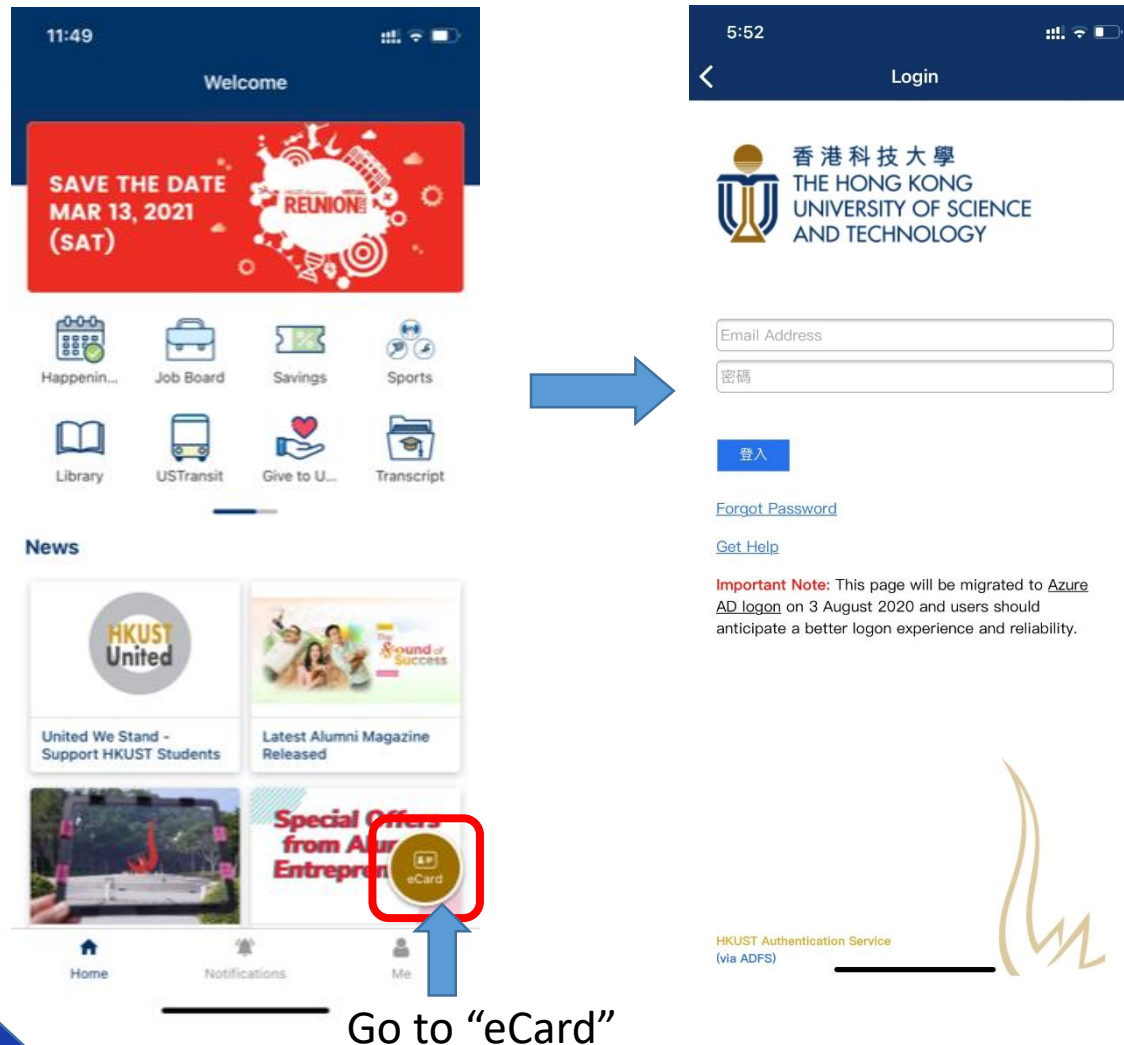

Name of the App:

HKUST Alumni

Available on iOS 10-13 & Android 6-9

If you can't download the app from App Store or Google Play, please try to [download it here](#). For users of Android 8.0 or latest versions, please be reminded to enable the unknown app source function under the security page before downloading.

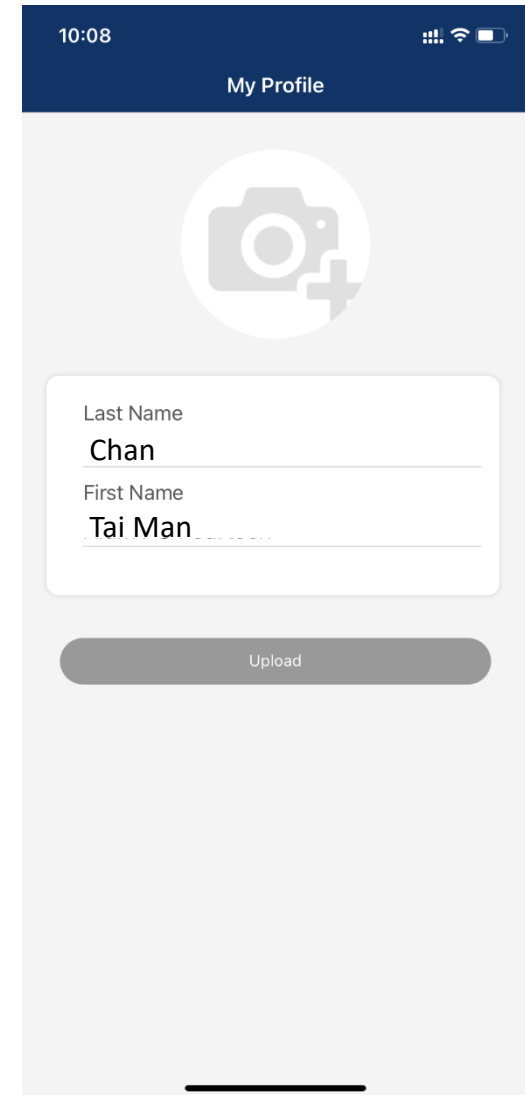

Step 2: Login with your alumni account (@connect/alumni email)

- Please be reminded to have your [alumni email address](#) and password ready.
- Then login with your alumni email address here.

Step 3: Upload Your Passport Photo

- The passport photo must show your full frontal face with clear facial features against a plain background.
- **Note:** The photo should not be too bright as the software may not be able to detect your sense organs. Please try to upload another dimmer picture if the uploading is failed.
- **Once confirmed, the photo cannot be changed or altered*
